ABOUT ME

Innovation and creativity play a crucial role in my Professional & Personal life. I am an entrepreneur, who is a passionate innovator who loves to experiment with all life puts on my plate.

Before being an Entrepreneur I am a mother to a 21-year-old and have learnt best lessons as a mother.

My aim is to utilize my knowledge, experience & skills to make positive efforts for organization in all respects & create an ecosystem for more Women Entrepreneurs.

I never went to a college when I had to hence didn't have a degree to get into a job so the plate was empty so could experiment with all available option, but now I am a IIM ALUMNI, ISB Alumni, as I have been awarded amongst the top 100 women by the 10K Goldman Sachs.
